

Homeschooling Through High School
Part 1: The Basics
Cindy Nicolai © 2007

What are your fears?

Making the decision. Why should I homeschool through high school?

- Evaluate
 - What are the benefits of homeschooling?
- Prioritize
- Pray

Think you're not smart enough? You don't have to be. What kind of plan and curriculum do you need?

- Video courses
- Coops or coop classes
- Online courses
- Concurrent enrollment
- Private tutor
- Teach your children to learn and think for themselves

Worried about social opportunities? God will provide.

Afraid you and your child will clash? If God calls you to it, He will see you through it.

- Homeschool is a calling

- ACT, don't react.

- A

- C

- T

What about Graduation Requirements?

- Required to graduate from my home
 - Coursework
 - Character

What about testing?

What about record keeping and diplomas?

- Transcripts and record keeping.
- Graduation and diplomas (get seal)
